GREEN MISSION STATEMENT

Indoguna is committed to operate its business in an environmentally responsible manner. We recognize that reducing the environmental impact of our products and operations is an important part of the value we deliver to our customers. We strive to train and work with our employees, our business partners and our community to achieve environmental excellence and to foster an understanding of the importance of making environmentally responsible decisions.

Our commitment to environmental awareness and preservation is fulfilled by:

- Complying with environmental regulation.
- Applying the principle of reduce, reuse and recycle in all processes.
- Promoting environmental responsibility among employees.
- Pursuing continuous improvement in our environmental performance.
- Promoting reduction of carbon footprint through the co-operation of our customers in their delivery requests and in our supply chain.
- Keeping paper trails to a minimum.

We resolve to become a model for environmental stewardship throughout our industry and the world!
