

Ocean Gems Vannamei Prawns

Sweet and Tender from Sustainable Source.

Ocean Gems sources the best seafood around the world. Our stringent selection process ensures a consistently high quality in our products. Every piece is cleaned, processed and packed within hours of harvesting to preserve its natural freshness and taste to the highest international standards.

No preservatives and chemicals are used in the process. We insist only premium quality and fresh flavours delivered in convenient, ready-to-use packaging. Join some of the world's best and most demanding gourmet chefs in enjoying Ocean Gems products with 100% confidence!

- Vannamei are energetic prawns, they swim intensively in their environment, making them naturally tender in texture and sweet in taste.
- Ocean Gems Vannamei prawns are only sourced from high salinity and low density farming area, to sustain its sweet taste all-year round.
- Ocean Gems Vannamei Prawns are available both peeled, de-veined tail on and tail off. A generous net weight, net count, no wastage product.
- Ocean Gems prawns are produced under a global BAP standard (BAP- "Best Aquaculture Practice"), the quality and food safety are guaranteed.
- Ocean Gems Vannamei prawns are ideal for salad, light cereal, pasta and cocktail.
