

Crystal Bay Tigers®

Sweet, Juicy & Tender

100% Australian Quality & Taste

Grown in North Queensland on a remote farm, nestled between rainforest and the World Heritage listed Great Barrier Reef.

In this pristine Australian growing environment, Crystal Bay Tigers® are carefully nurtured and handled to the strictest quality standards, all culminating in a superior quality prawn with unique characteristics.

Crystal Bay Tigers® Characteristics:

- Pleasant sweet, juicy taste
- Deliciously moist and tender
- Have a crisp bite or 'snap'

Menu Ideas

Their moist texture makes Crystal Bay Tigers® a versatile prawn and perfect for Seafood Platters or Prawn Salads.

Perfect with flavours such as lemon, garlic or chilli. And well suited to Asian styles.

HANDLING TIPS:

- Frozen storage, below minus 18°C

THAWING INSTRUCTIONS:

- Recommended slow thawing in cool room
- Place the whole box in a cool room for up to 12 hours

Spectacular presentation:

- Glossy orange colour
- Bright red & white stripes

ONCE THAWED:

- Prawns should be kept at below 4°C
- Prawns should be consumed within 4 days
