

Ocean Gems Octopus Tentacles

The World's Finest Octopus

Fresh From The Sea

Our Ocean Gems Octopus are caught exclusively from the clear and clean blue waters off Western Australia's coast. They are sought after by the world's leading restaurants and chefs alike, claiming it to be the best the ocean has to offer.

Quality Assured

The species of octopus (*O'tetricus*) found off the Western Australian coast is considered to be one of the best species of octopus in the world due to its quality and colour of flesh when processed. Ocean Gems Octopus Tentacles are extremely tender, juicy and fleshy.

Ready to Cook

Ocean Gems Octopus Tentacles are easy to work with. Our premium grade of Octopus Tentacles are tenderised using a unique freezing process such that there is no need to tumble, pummel or pulverise. This makes our Ocean Gems Octopus Tentacles incredibly user-friendly and exceptionally flavoursome.

Caught & Processed Under Sustainable Fishing Conditions

Our Ocean Gems Octopus are harvested using Western Australia's first sustainable octopus fishing method. We have built a thriving manufacturing operation that has a world reputation for high quality seafood products, whilst maintaining a sustainable fishery policy.
